Take Our Kids to Work™

The Students Commission of Canada

EVERYONE BELONGS HERE!

at Take Our Kids to Work Live! 2023

Moderated by The Students Commission of Canada, **Take Our Kids to Work Live!** is a truly national event, complementing local at-work and in-school experiences. Students, teachers, employers, families can drop-in to a casual coast-to-coast-to-coast live conversation about careers in every part of the country. There will be shared viewing of pre-recorded speakers on specific career areas, with live stream Career Advisors featuring diverse experiences and representatives, answering student questions and in conversation with them. Bring your questions, share what you are doing in your workplace, school or home. Let's open up young minds and hearts to the thousands of career choices ahead of them. If because of your Time Zone you can't join the live event, you can use pre-recorded versions of the key speakers and panelists at a time suitable for your event.

Note that there will be an English and a French moderator at all time during the day, although the videos featured will be played in only one language (see notes under each activity).
